PINELLAS PARK ROTARY

Pinellas Park Rotary Club is a group of local business people who, through fund raising projects, raise money for a number of good causes. The Boys & Girls Club of Pinellas Park and Morning Star School for Exceptional Students are some of our recipients. We also provide Scholarships for St. Petersburg College and we sponsor an Interact Club at Pinellas Park High School and Dixie Hollins High School. Every Year at Christmas time, our Rotary Club provides food baskets to the needy of Pinellas Park. We also contribute heavily to a worldwide project for polio-plus and a food program for the poor in Haiti. These are just some of the examples of worthy causes and projects to which our club contributes. Please help us continue to help our community.
