Dear Fellow Rotarians, Friends, and Guests,

The theme of D.K. Lee, President of Rotary International, 2008-09, is to "make Dreams Real" by improving the lives of children around the world. By supplying money, better food, educational tools and shelter, we can ensure that a child's dreams can become Real.

Therefore, would you please join me in wearing our new Rotary Emblem with pride, a big smile and friendliness, so that others will be happy to walk beside us.

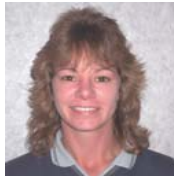

Phillip England
