ROTARY IS GREAT WHEN YOU PARTICIPATE!!

Last Week's Program

Our Officers and Board of Directors had a very pleasant and informative meeting with DG Cliff Snedecker several hours prior to our regular session. Assistant DG Eva Jones then introduced DG Cliff to our entire membership and guests. DG Cliff introduced his wife Deanna and thanked her for all her help. This was there 48th meeting representing our District and they both had a wonderful time doing it. He stated "she's my buddy." Cliff then proceeded to show us a very inspiring video of Bill Gates Sr. speaking at the recent Rotary International Convention. Cliff stated Rotary is the finest organization of it's kind . We do not rely on government. We do not rely on charity . We do everything Rotarian to Rotarian and eliminate the excesses on the top and have few hangers on in the middle.

Pictured Top left, DG Snedecker and wife Deanna. Right top to bottom, President Pete Molinaro & DG, DG with members Barbara Todd, Phyllis Tellor, Joe Minarik and Ken Bray. DG Rep. Eva Jones, DG and Pete Molinaro with beautiful Rotary Cake. A special thank you to Phyllis and Dorothy for the spectacular room decorations on display welcoming the District Governor Cliff, his wife Deanna and Eva Jones.

**WORLD ROUNDUP...Rotary news in brief from around the
Globe: Australia**

Since 1966, the Rotary Club of Port Lincoln has hosted 58 inbound Rotary Youth Exchange students and sponsored 61 outboard students. At a February reunion, many of those former students returned—some from as far away as Argentina, Denmark, Italy and the Netherlands—to catch up with each other, their host families, and their Rotarian friends.

Quotable Quotes

“To me old age is always fifteen years older than I am.”

Bernard Baruch, US business executive

Happy Events: Jerry Wennlund's happy event is that his two daughters are still in college. **Ken Bray's** H/E was that he was not having surgery this week as he did last week. **Phyllis Tellor** had two happy events. First, her friend **Linda** came in to stay with her for the winter and her computer needs will now be taken care of. Secondly, she has one aunt on her mothers side ,who is finally coming to stay with her for the winter and maybe longer. **Phil England's** H/E was that he spent the weekend at the Madeira Beach volleyball tournament and his team placed 4th. **Kevin Krauss'** H/E was a big thank you for the great turnout at the Special Olympics luncheon this past weekend. **Kevin Burkart's** H/E was also for the luncheon as he had his whole family there and they really enjoyed the entire occasion. **Joe Minarik's** H/E was also about the Special Olympics. He stated that the new renovations at the Seminole Lounge really worked out good. However, much was made over the Rotary spy we had by name of **Tom Stewart** who stopped the 2nd & 3rd offenders on the hot dog line. **Joe Kolodziej's** H/E was that his granddaughter took her first tests in college and passed all four of them. **Steve Murdoch** was also at that Volley Ball Tournament, but his team finished 8th. However, his golf team finished first. **Pete Molinaro** had a happy \$20. You know the story about his daughter moving out. However, he said, "now I have to buy her new tires. I guess it is always something else." In addition, he had a great time with **Jerry Krauss'** granddaughter **Mackenzie** at the Special Olympics. **Barbara Todd's** H/E was that her Mom just got out of the hospital and she welcomed D.G. Cliff. **Tom Stewart's** H/E was that his oldest daughter ,a sophomore in college, called him to confirm their dinner date. It's amazing how things change as they get older. **John Donaghy** didn't know if he had a happy or a sad dollar. The reason, he just bought a new boat. **Jerry Krauss'** H/E was that he had successful knee surgery and is looking forward to getting back to bowling. **Theresa Pinnix's** H/E was that her son Aaron returned safely home from a cruise.

50/50 Winner
Kevin Krauss was our weekly winner for \$9 and donated it back to the club. Next week's pot will be \$253.50.++
