

**Happy Events:**

**Theresa Pinnix's** happy event is that she is so excited that this coming Saturday her committee will be delivering Christmas baskets.

**Hope Peterson's** H/E was worth \$4 for the outing to Crystal River with her girl friends and \$1 for her guest, **Carol's**, phone going off at the start of the meeting. **Joe Kolodziej** paid a happy \$5 because the Christmas Parade in Pinellas Park went great and his tiger didn't bite anyone. **George Carter's** H/E was that he was happy to be back. When they went through Detroit the temperature was 21 degrees. He also reminded everyone that flu shots were available in the Park. Call **George** for more information. **Dorothy Gilbert's** H/E was a successful bell ringing, highlighted by the Girl Scouts' singing Christmas carols.

**Phyllis Tellor's** H/E was that she had a good time ringing the bells and, for the first time, she enjoyed having a choir joining in the festivities. **Pete Molinaro** had several happy events. First was that he thanked everyone who came out for the bell ringing; second, he had an insurance adjuster come out to appraise the damage to his boat that was hit by lightning. The results of the inspection was \$52,830 dollars worth of damage. The good news was that they are covering everything, which was worth \$10 to our club. **Jerry Krauss'** H/E was that his daughter, **Christine Patel**, who is a regular participant in many of our projects, after many years, received her Master's Degree from USF in Adult Education. It was a very happy event for the entire Krauss family. **Barbara Todd's** H/E was that her daughter was promoted as the nursing chief at the new Tampa Surgical Center. Congratulations to **Hope Peterson** for winning this Quarter's Paul Harris Lottery. A thank you is in order for the other 9 Rotarians who participated in the drawing.

**50/50 Winner**  
**Joe Kolodziej won \$16.00 and donated it back to the club.**  
 Next week's grand pot is worth \$379.50
