Each year, Rotary has supplied members and friends as golf marshals for holes 15 and 16 at this tournament.

Please see **Tom Stewart or Ken Bray** if you wish to volunteer.

Dates are March 15th to 21st.

Last Week's Program: Program Chairman, **Josh Astarita**, introduced **Tirrah Switzer** as our guest speaker. After many years as a volunteer for the **American Cancer Society**, Tirrah has been hired by the Pinellas County Chapter as a full-time paid employee. She reported that the organization is here to help YOU in your fight with cancer. Tirrah gave us information about the services and programs that provide day-to-day help and emotional support. The American Cancer Society is just a phone call away. **Dial 1-800-227-2345** and you will be connected with one of their cancer information specialists, who are ready to help 24 hours a day, seven days a week. Or you can visit them online at **www.cancer.org**. They can help you to understand your cancer, learn what to expect with your cancer treatments, receive help with insurance concerns or find financial resources to help if you don't have insurance. They also have local support groups to help with transportation or with lodging if your treatments are out of town. They also have multi-lingual volunteers who help dissolve the language barrier. **TLC—Tender Loving Care** is their catalog and magazine for women that offers helpful articles and a line of products that include wigs, hairpieces, breast forms, bras, hats, turbans, swimwear and other accessories. Check out their website at **www.tlccatalog.org** YOU can help the Cancer Society by Volunteering, Being an Advocate or Donating to the American Cancer Society!

Happy Events: **Phil Burns'** H/E was that his eye surgery is over and he can now see **Kevin** at the head table. **CJ Crooks'** H/E was that he beat his younger brother, **Jeff**, in 3 games of Darts. **Joe Kolodziej's** H/E was that his wife is leaving town for a week? **Bruce Cloud's** H/E was that he and **Donna** received the good news that they were just blessed with their 3rd great-grandchild. (LUCKY COUPLE!) **Ken Burkart's** H/E was that the family is going skiing this week in Colorado and that his grandmother died at age 91 and got her money's worth! **Pete Molinaro** paid a happy \$10 to announce that his **LOVELY WIFE CAROL** is back in town and his newly repaired boat that was hit by lightning was delivered over the weekend. **George Carter's Carterism** was something about pumping gas, digging holes and planting trees for the city? **Hope Peterson** had several happy events: #1 she was going to a PETS seminar over the weekend. #2 She just got back from spending some time with her daughter in San Francisco and **Joe Kolodziej** is right, Chinatown is a dump. #3 Prior to **CJ Crooks** joining our club the average age of our club membership was 64 and now it is now 58. **Is it the Truth? Ken Bray's** H/E was that he bought his house in Palm Harbor 4 years ago and he had to fill in holes on the property 6 times over that period. He assumed that he had a sink hole problem until this week when the city was installing a new sewer line and found a pipe that was leaking. Good news! No sink hole! **Theresa Pinnix's** H/E was that her baby sister turned 37 on this day. **David Sideri** had a happy \$10 to report that February was his best month ever in business! **George Carter** remembered another H/E and already paid the fine-master \$2. He was informed by our Sgt-at-Arms that he might as well make it a \$5 for both Carterisms. Something about some guy who was complaining about weddings, old aunts and your next ????
