Past President Pete Molinaro reflects on the past year.

Traditionally the new president will present the old president with an award. **Hope** presented the shadow box to **Pete** during this meeting. This allowed **Pete** to reflect over the past year. He expressed his appreciation to the club members for all of the support he has received over the past year. He looks for the club to continue to grow and for us to work together to make a difference in the community. The lessons he has learned over the past year will make him a better Rotarian and if he ever has the chance, an even better president. He is looking forward to not so many e-mails and phone calls. While in New Hampshire, **Pete** made a \$500.00 donation to a Rotary fishing tournament that will be held in May. The club truly appreciates his service. **Pete**, you truly made a difference and we thank you for an amazing year.
