Last Week's Program:

Program Chairman **Kenny Krauss** introduced **Bill AuCoin**. Bill is an outdoor recreation and adventure travel marketing communications professional for AuCoin & Associates, Inc. in St. Petersburg, Florida. He reported that one of his favorite things to do is research and write The AuCoin Report – News Briefs from the Great Outdoors. Bill's clients include, Visit St. Petersburg-Clearwater, Wrangler, Ono's Trading Company, Southwest Florida Yachts and Florida Sailing & Cruising School. His professional career included 18 years for a Fortune 500 firm in Chicago and three years as a reporter for United Press International in the Memphis bureau, where he covered the shooting death of Dr. Martin Luther King, Jr., among many other major stories. Bill grew up in Mobile and reports that "It was a terrific place to grow up. There were lots of woods to roam and ponds to fish with neighborhood and school friends. Fortunately, we didn't have the distractions that kids have today -- no cell phones, no e-mail, no text messaging, and not much to watch on black-and-white TV either."

His favorite thing to do when he's not working? Yep, fishing.
