Last Week's Program:

We were able to hear first hand about how the experience of S4TL had such a positive impact on both Krissy Longstreet and Sarah Fleming. They talked about the motivational speakers and the tools they learned to prepare them for college and young adulthood. They were very grateful to the club for sponsoring them and expressed how this experience has made a difference in their lives.

My name is Sarah Fleming, I attend the Canterbury School of Florida. I am entering my senior year of high school with a grade point average of 4.43 and I am the Senior Class President. My goal is to go to Stanford, which has the highest ranked psychology program, and excel in psychology. Then, I will use those skills to get a law degree and become an athletic agent. I play softball, volleyball, basketball and have achieved the following: First team all-state outfielder (2009), Most Improved Player (2009) and All-county honorable mention (2010). During the 2010 season, I broke my Tibial Plateau and tore my meniscus, thus limiting my athletic involvement on the softball team. My community service projects include the following: Interact Secretary (2010-2011), Interact Sergeant of Arms (2009-2010), Student Athlete Leadership Council, Yearbook Editor, work with the Alpha House Service for Church and Canterbury Classic volunteer.

My name is Krissy Longstreet. I attend the Canterbury School of Florida in St. Petersburg. I am entering my senior year in high school and I currently have a grade point average of 3.43. I play multiple sports for my high school such as volleyball, basketball, and softball. I am going to pursue the game of softball through college and after. I volunteer at numerous organizations through my schools community service club, Interact. I am also involved in other clubs such as SADD, Students Against Destructive Decisions, I am a member in the yearbook staff, Student Athlete Leadership Council, and I volunteer at my high school's annual middle school softball camp. I have earned either Honors (GPA>3.0) or Heads List (GPA>3.5) for all terms throughout my high school career. I work for my pitching coach, catching for her lessons and also for New Hope Auto assisting the mechanics. My future plans are to go to college, become a psychiatrist, and hopefully coach a softball team of my own one day.
