Rotary is great when you participate

Rotary is great when you participate

Last Week's Program:

Program Chairman, **Joe Minarik**, introduced **John Gallant** and **Keith Kurber**. John has been the President for 30 years of H & G Structures, Inc., a Commercial Construction Company Licensed in over 25 States. He has been a Rotarian since 1996 and an Assistant District Governor from 2005 - 2008. John received the District Leadership award in 2010 for resurrecting the Rotary Club of Countryside now the Rotary Club of Dunedin Waterside for Young Professionals. He was a participant in the Rotocleft Mission to Peru since 2002 a Rotary Alumni. John was here to share a video of Rotocleft and other projects that were performed as International Service projects.

David Sideri is our Membership Chairman. He had business cards printed for us to hand out to perspective members. **David** designed them and they look fabulous. It is an easy way to invite someone to lunch. Now is the time for us to build our club. Who will you invite to lunch?

A wise woman who was traveling in the mountains found a precious stone in a stream. The next day she met another traveler who was hungry, and the wise woman opened her bag to share her food. The hungry traveler saw the precious stone and asked the woman to give it to him. She did so without hesitation. The traveler left, rejoicing in his good fortune. He knew the stone was worth enough to give him security for a lifetime. But a few days later he came back to return the stone to the wise woman.

“I’ve been thinking”, he said, “ I know how valuable the stone is, but I give it back in the hope that you can give me something that is far more precious. Give me what you have within you that enabled you to give me the stone”
