Making A Difference!

Last Week's Program:

President **Josh Astarita** presided over his final luncheon by holding an informal club meeting and discussion, after the scheduled speaker was unable to attend.

Next Week's Program:

Program Chairman **David Allen** will introduce **Barbara Rhode**, LMFT, the Founder of *The Red Tent Initiative*, a grassroots organization that focuses on strengthening women and their families, particularly incarcerated females at the Pinellas County Jail and surrounding area.

Barbara founded the organization in 2012, after working with the incarcerated population from 2003 through 2008. She witnessed an alarming increase in the number of female inmates, and discovered that 85% of all incarcerated female inmates have PTSD, as a result of childhood trauma or abuse.

The organization is named after a book written by **Anita Diamant**, called *The Red Tent*, which is set in ancient times. In the book the community creates a space for women where they could go during times of need; menstruation; grief, and birth. Only women were allowed in the tent, as it was known as a sacred place of healing and nurturing, a place where young and old women, even children, could share stories, wisdom and compassion. The supporting community would leave food at the flap of the tent to help the women spend precious time together, healing and inspiring each other.

This Week's Program:
